

## How we can help

We are here to answer any query you may have in regard to your caring role and to help in any way we can. If we cannot assist you directly, we will always find someone who can. Here are some examples of the things we can help with:

- **Benefits and Grants** - we provide benefits checks and can help to fill out the forms.
- **Support and practical help** for the carer and the person they care for through Social Services.
- **Emergency care planning** and planning for the future.
- **Disability equipment and Assistive technology** (for example care phones).
- **Blue badges** (for disabled parking).
- **Other transport help.**
- **Other specialist services** relevant to the person's needs.
- **Advocacy** to help you to express your views and wishes including support at meetings and challenging decisions.
- **Groups** where you can talk to other carers in similar situations to yourself.
- **Activities** to suit you and to help you do things you enjoy.
- **Help getting a break** - can be vital to help you stay healthy and maintain good wellbeing.
- **Someone to talk to** - we're here to listen and help.

## What can carers expect from Carers Count?

- ✓ **A single point of contact**
- ✓ **To be listened to and be taken seriously**
- ✓ **To be treated with respect**
